My dear Mr. Lummis:-

I have been
told of your book of Spanish
Songs and as I am getting
up the Calif. Day program
for our Woman's Club
would delight to own
one to read on that oc-
casion. My program con-

lists of stories, fables and
poems with as many old
Spanish songs as possible
to use. I was discouraged in
getting any until a letter came
from Mary L. Oerum of Santa
Barbara who kindly told me
of your book.

My program comes on Dec. 5th
and if possible I would like
the book as soon as you
can conveniently send it.

Enclosed find check for \$1.50.

Very truly

Dear Mrs. Branaman:-

Thank you for your subscription and remittance.

I think there is no question that the books will be out in time for your work. I expect them off the press the 25th of this month. And will have your copy shipped direct from the printers.

I am sure you will find the book a treasure house of folk songs.

With best wishes,

Sincerely Yours,
